I do have record of a W. D. Dishmn born in Baltimore, Md. 1874.

Another document states that the first Dishman to America was Samuel Dishman who settled in Westmoreland Co., VA., about 1665. His will was probated at Mootross in 1726. Every Dishman in this big broad land of ours are descendent of this old sire, including yourself and your humble servent.

I am really just beginning to go through some of these notes and will try to keep you posted if I come across something more definitive.
